

Finding Aid for the Nolichucky Dam Photo Album MS.2772

Repository: University of Tennessee Libraries, Special Collections
Creator: Tennessee Valley Authority.
Title: Nolichucky Dam Photo Album
Dates: 1913-1915
Quantity: 0.1 Linear feet
Abstract: Collection consists of a photo album documenting the construction of the Nolichucky Dam in Greenville, Tenn., in 1913. All stages of dam construction are presented in the album: coffer dams, foreboys, penstocks, forms, and the power house. In addition to documenting the construction of Nolichucky Dam, the album contains 46 photos of the construction of a concrete reservoir, done by the Boston firm A. G. Tomasello & Son, for the Salem, Massachusetts waterworks in 1915.
Collection Identification: MS.2772

Preferred Citation
