

## The **Scholars' Collaborative**

specializes in:

- \* Open forms of scholarship & publishing
- \* Responsible sharing & preservation of data & scholarly outputs
- \* Emerging tools & techniques

### **Scholarship Experts**

Specialists can connect you with library and campus information and resources.

### **Consultations**

Meet online to consult on tools, data needs, copyright, publishing, project development and more.

### **Instruction**

Class instruction to support a range of topics, tools, and projects.
